The US Postal Service appears to be trying to self-destruct. Therefore we may need to change postal rates without notice. We will discontinue this service if the postal service fails. We will not ship by private carrier nor over the Internet. We do not sell to drop-in visitors. Barking Frogs Permaculture is not open to the public.

**CD ORDERS ONLY, add \$5.00 for burning each disk.** All CD items in the same order go on one disk. **TIPS II, onward, exempt from burn fee.** \$ \_\_\_\_\_

**Contributions to supply literature requested by "Third World" groups, grade school students, etc.....** \$ \_\_\_\_\_

**Other Contributions** (Scholarship fund, Tree Tithe, "Third World" courses, etc. Please specify)..... \$ \_\_\_\_\_

**TOTAL** Enclosed is my check or money order payable to Yankee Permaculture **US funds only, please.** \$ \_\_\_\_\_

<sup>o</sup> Shipping for ball cap to US addresses is \$8. If ordered with publications priced at \$100 or more, ball cap shipping is free.

**‡ Up to 3 CDs ride free if sent with a print order of \$25 or more. When shipping together print and more than 3 CDs, the print formula applies. Where shipping outside the US to a particular destination exceeds \$10, the full cost is due. Checking with US Postal fees, which are online, is the buyer's responsibility. Look for 'Flat Rate International Priority Mail' and select the rate for package dimensions and country. We will not look this up for you.**

<sup>\*</sup> A service charge will be assessed for correspondence on orders that are underpaid or unclear. Because of exorbitant bank fees to exchange non-U.S. currency into U.S. dollars, we can only accept payment by check drawn on a U.S. bank or by International Postal Money Order in U.S. dollars. A Money Gram may also be acceptable with a \$25 surcharge. Check with us in advance.

**We will not do arithmetic for you! Please figure your own order total.** Do not contact us asking for prices or totals. Everything we have to say about that is on this order form. We'll check it when we actually have an order and payment in hand. We do not accept PayPal or credit cards. Send cash at your own risk. We strongly recommend against it.

A **SERVICE CHARGE** of at least \$25.00 will be assessed for returned checks. We do not carry accounts—payment must accompany order.

**REFUND POLICY:** There will be **no refunds** for permaculture papers and pamphlets or for any publications bought on sale, as part of a set, or at discount. Also there are no refunds on slide/script sets, special order publications, and other materials provided on a custom basis. All other returned publications **received here within 30 days of initial shipment** (exceptions made for overseas orders) in new condition will be refunded without question. **NO REFUNDS on computer disks except the standard CD version of TIPS beginning with Volume II.** We will replace defective disks or publications returned within 60 days of shipping. The minimum charge for **replacing** broken disks is \$25 per publication + pieces of the broken disk, provided that we still have the same version on file. Damaged disks must be postmarked 30 days from the original date of shipping to qualify for free replacement. In all other circumstances, replacement will be treated as an update with standard update fees required. **DISCOUNTS:** Discounts for the same item, if any, may not be combined.

**CHANGE OF ADDRESS:** It is your responsibility to notify us if your address changes. Be sure to let us know of your subscriptions and any other outstanding orders. Include your order number and your old address.

**TREE TITHE:** As of January 1, 1985, all Yankee Permaculture print publications carry in their price a **Tree Tithe**. We set aside this money for re-planting trees to compensate for those cut to make the paper that we use. Contributions to the Tree Tithe Fund are accepted.

**EXPEDITED SHIPMENT.** Pay by **bank check** or money order. See above instructions for postal money orders. Smaller items marked CD may also be sent as email attachments for the CD rate, above. If sending as attachment fails after three tries, we will ship via US Postal Service. No orders are accepted without a conventional mail address.

**Shipments to addresses outside the USA** go cheapest mail or flat rate priority mail (available only on orders of \$50 or more). Check with your national postal service to see if they accept this type of mail from the US. (Not available to all countries.) We will not do this for you! There may be a surcharge for heavy orders to countries that do not accept US M-Bag mail. All shipments outside the USA are at the buyer's risk for losses and damage in transit.
