\* **A service charge will be assessed for correspondence on orders that are underpaid or unclear.** Because of exorbitant bank fees to exchange non-U.S. currency into U.S. dollars, we can only accept payment by check drawn on a U.S. bank or by International Postal Money Order in U.S. dollars. **We will not do arithmetic for you! Please figure your own order total.** We'll check it when we actually have an order and payment in hand. We do not accept PayPal or credit cards. Send cash at your own risk. We recommend against it.

**A SERVICE CHARGE** of at least \$25.00 will be assessed for returned checks. **We do not carry accounts**—payment must accompany order.

**REFUND POLICY:** There will be **no refunds** for permaculture papers and pamphlets or for any publications bought on sale, as part of a set, or at discount. Also there are no refunds on slide/script sets, special order publications, and other materials provided on a custom basis. All other publications **returned within 30 days of shipment** (exceptions made for overseas orders) **in new condition** will be refunded without question. **NO REFUNDS on computer disks.** We will replace defective disks or publications **returned within 60 days of shipping**. Minimum charge for replacing broken disks is \$25 + pieces of the broken disk, provided that we have the same version on file. Otherwise, replacement will be treated as an update.

**DISCOUNTS:** Discounts for the same item, if any, may not be combined.

**CHANGE OF ADDRESS:** It is your responsibility to notify us if your address changes. Be sure to let us know of your subscriptions and any other outstanding orders. Include your order number and your old address.

**TREE TITHE:** As of January 1, 1985, all Yankee Permaculture print publications carry in their price a **Tree Tithe**. We set aside this money for re-planting trees to compensate for those cut to make the paper that we use. Contributions to the Tree Tithe Fund are accepted.

**EXPEDITED SHIPMENT.** Pay by **bank check** or money order. See above instructions for postal money orders. Smaller items marked CD may also be sent as email attachments for US\$5.00 per item, or the CD rate, above, whichever is greater. After 3 tries, we will ship as CD.

**Shipments to addresses outside the USA** go cheapest mail. Add 50% for priority mail outside the US, available only on orders of \$50 or more. **Check with your national postal service to see if they accept this type of mail** from the US. (Not available to all countries.) There may be a surcharge for heavy orders to countries that do not accept US M-Bag mail. All shipments outside the USA are at the buyer's risk for losses and damage in transit.

**Reading List – The Annual Permaculture Design Correspondence Course Online**

We offer a highly discounted course reading package. Download a copy of the reading list for more details. The list may change slightly between courses as material becomes available and/or goes out of print. Reading the course materials before you take the course is an excellent way to prepare.

The annual online course runs about 6 months. Go to [www.barkingfrogspermaculture.org](http://www.barkingfrogspermaculture.org) for more details and a starting date for the next course cycle.
